## Explanation of changes to your 2021 Form 1040

This section tells you specifically what income information the IRS received about you from others (including your employers, banks, mortgage holders, etc.). This information doesn't match the information you reported on your tax return.

Use the table to compare the data the IRS received from others to the information you reported on your tax return to understand where the difference(s) occurred. To assist you in reviewing your income amounts, the table may include both reported and unreported amounts.

### Taxable Wages

Received from	Address	Account Information	Shown on return	Reported by others	Difference
TACALA TENNESSEE	3750 CORPORATE WOODS	SSN 414-63-9131	\$0	\$219	\$219
	D	Form W-2			
	VESTAVIA AL 35242				

### Misidentified income

If any of the income shown on this notice isn't yours, send us the name, address, and taxpayer identification number of the person who received the income. To prevent future incorrect reporting to the IRS, notify the payer to adjust their records to show the correct name and taxpayer identification number.

### Form W-2 or 1099 not received

The income reported on your return doesn't match the documents we received from your employer or payers. The law requires you to accurately report all income you receive. If your employers don't send proper information documents or forms (for example, Form W-2, Wage and Tax Statement, Form 1099), you must estimate your income based on your paycheck stubs, bank statements, or other records and include your estimate on your tax return.

#### Self-Employment Tax on Self-Employment (SE) income

We computed the self-employment (SE) tax on the net SE income from your reported and underreported SE income. SE income generally includes nonemployee compensation, merchant card payments, third-party network payments, and other income from part-time or full-time work. Net earnings from SE income are subject to SE tax.

SE tax consists of Social Security tax of 12.4% and Medicare tax of 2.9% and, for SE income more than the thresholds for your filing status, an additional Medicare tax of 0.9%. Even if you paid the maximum amount of Social Security tax, you're still liable for Medicare tax and additional Medicare tax if you're over the applicable threshold. The deductible part of the SE tax is based on the change we made to your SE tax. If you were an employee, you're liable for income tax and the employee's share of Social Security (6.2%), Medicare taxes (1.45%), and additional Medicare tax, if applicable. We'll credit your Social Security account with the amount of SE income shown on this notice. See Form 1040, Schedule SE, Self-Employment Tax, for more information.

#### Amendments or adjustments to your return have been included in this notice

We considered previous changes to your original tax return in figuring the amounts under "Changes to your tax return". This may include adjustments we made when you filed or changes from an amended return.

#### Power Of Attorney

We sent a copy of this notice to your representative as shown in your Power of Attorney.

#### Next steps

If you agree with our proposed changes, send us your signed Response form so we receive it by the due date of this notice. After you receive the billing notice showing we've adjusted your account, you can use the following online payment options:

- Visit [www.irs.gov/payments](http://www.irs.gov/payments) for information about online payment options including:
  - Pre-assessed installments and payment agreements
  - Payroll deductions
  - Credit card payments
  - Direct debit payments
  - Applicable fees
- To apply for an installment agreement plan by mail, send in your signed Response form AND a completed Form 9465, Installment Agreement Request.

If the same error occurred in another tax year, file a Form 1040X for that tax year.

We send information about these changes to state and local tax agencies. If the changes we made to your federal tax return also impact your state or local tax return, file an amended state or local tax return as soon as possible.

#### Penalties

We are required by law to charge any applicable penalties.

#### Failure-to-file

Description	Amount
Failure to file penalty - Internal Revenue Code Section 6651	\$348

Notice CP2000  
Tax year 2021  
Notice date September 25, 2023  
Social Security number 414-63-9131  
Page 5 of 9

We assess a 5 percent monthly penalty for filing your return late and a 0.5 percent monthly penalty for not paying the tax you owe by the due date. When both penalties apply for the same month, the amount of the penalty for filing late for that month is reduced by the amount of the penalty for paying late for that month.

The penalties may not apply where you've shown the failure is due to reasonable cause and not willful neglect.

The penalty for filing late is calculated based on the tax required to be shown on the return that you didn't pay by the original return due date, without regard to extensions. The penalty for paying late is calculated based on the net unpaid tax at the beginning of each penalty month following the payment due date for that tax.

We charge the penalties for each month or part of a month the return or payment is late; however, neither penalty can be more than 25 percent in total.

Income tax returns are subject to a minimum late filing penalty when filed more than 60 days after the return due date, including extensions. The minimum penalty is the LESSER of two amounts - 100 percent of the tax required to be shown on the return that you didn't pay on time, or a specific dollar amount that is adjusted annually for inflation. The specific dollar amounts are:

\$435 for returns due on or after 01/01/2020  
\$210 for returns due between 01/01/2018 and 12/31/2019  
\$205 for returns due between 01/01/2016 and 12/31/2017  
\$135 for returns due between 01/01/2009 and 12/31/2015  
\$100 for returns due before 01/01/2009

## Interest charges

We are required by law to charge interest when you do not pay your liability on time. Generally, we calculate interest from the due date of your return (regardless of extensions) until you pay the amount you owe in full, including accrued interest and any penalty charges. Interest on some penalties accrues from the date we notify you of the penalty until it is paid in full. Interest on other penalties, such as failure to file a tax return, starts from the due date or extended due date of the return. Interest rates are variable and may change quarterly. (Internal Revenue Code Section 6601)

Interest is calculated to 30 days from the date of the notice for domestic addresses and 60 days from the date of the notice for foreign and APO/FPO/DPO addresses. Interest will continue to accrue until you pay the amount you owe in full.

Description	Amount
Total Interest	\$494

The table below shows the rates used to calculate the interest on your unpaid amount from the date the tax return was due until the tax is paid in full. For a detailed calculation of your interest, call 1-800-829-8310.

Period	Interest rate
April 1, 2022 through June 30, 2022	4%
