## Explanation of changes to your 2021 Form 1040

This section tells you specifically what income information the IRS received about you from others (including your employers, banks, mortgage holders, etc.). This information doesn't match the information you reported on your tax return.

Use the table to compare the data the IRS received from others to the information you reported on your tax return to understand where the difference(s) occurred. To assist you in reviewing your income amounts, the table may include both reported and unreported amounts.

### Documentation Upload Tool

Send us your documents using the Documentation Upload Tool within 30 days from the date of this notice. To use the tool, visit [IRS.gov/dutreply](https://www.irs.gov/dutreply) and enter access code 895ny-k9654.

### Qualified dividends

Based on the information your financial institution reported to us, we used the qualified dividends shown in box 1b, of Form 1099-DIV, Dividends and Distributions to recompute your tax. Let us know if you need to change the eligible qualified dividends as reported to us.

### Misidentified Income

If any of the income shown on this notice isn't yours, send us the name, address, and taxpayer identification number of the person who received the income. To prevent future incorrect reporting to the IRS, notify the payer to adjust their records to show the correct name and taxpayer identification number.

### Form W-2 or 1099 not received

The income reported on your return doesn't match the documents we received from your employer or payers. The law requires you to accurately report all income you receive. If your employers don't send proper information documents or forms (for example, Form W-2, Wage and Tax Statement, Form 1099), you must estimate your income based on your paycheck stubs, bank statements, or other records and include your estimate on your tax return.

### Schedule A medical and dental expenses percentage limitation

Medical and dental expense deductions are reduced by 7.5 percent of your adjusted gross income. Since we recalculated your adjusted gross income, we also recalculated your medical and dental expense deduction.

### Refigured tax based on Schedule D computation

We recalculated your tax using the Schedule D gain or loss computation.

### Education credits

Based on proposed changes to your income and tax, we're also proposing an adjustment to the amount of education credits (American Opportunity and Lifetime Learning Credits) you can claim on your tax return.

### Education credits

We need to verify the education credits you claimed on Form 1040, U.S. Individual Income Tax Return or Form 1040-SR U.S. Tax Return for Seniors. Send us a detailed explanation of the amounts you paid to support the amounts claimed. For more information, see Publication 970, Tax Benefits for Education.

### Underclaimed withholding

You may be entitled to a larger deduction for income tax withholding or additional Medicare tax withholding than the amount you claimed on your tax return. Compare the payer information provided in this notice with your records. If the information is incorrect, send us a statement so we can correct our records. If the information is correct, respond to this notice so we can adjust your account.

### Refundable American Opportunity Credit

We decreased or eliminated the American Opportunity Credit you claimed on your tax return because it phased out when we adjusted your modified adjusted gross income (MAGI). We phase the credit out when the MAGI exceeds \$80,000 (\$160,000 if married filing jointly) and eliminate it completely when the MAGI reaches or exceeds \$90,000 (\$180,000 if married filing jointly).

### Your Form 1040X doesn't include penalties

We received your Form 1040X, Amended U.S. Individual Income Tax Return, in response to our previous notice. However, it didn't address the proposed penalties. If you think we shouldn't charge these penalties, send a signed statement explaining why they don't apply and include supporting documents. We'll review your request and determine if we can remove them.

### Power Of Attorney

We sent a copy of this notice to your representative as shown in your Power of Attorney.

## Next steps

Visit [IRS.gov/payments](https://www.irs.gov/payments) for information about payment options.

If the same error has occurred in another tax year, file a Form 1040X for that tax year.

We send information about these changes to state and local tax agencies. If the changes we made to your federal tax return also impact your state or local tax return, file an amended state or local tax return as soon as possible.

## Penalties

We are required by law to charge any applicable penalties.

## Substantial tax understatement

Description	Amount
Accuracy-related penalty substantial understatement of tax - IRC 6662(b)(2); 6662(d)	\$1,534

If you understate your tax liability and the understatement is more than the greater of 10 percent of your correct tax liability or \$5,000, an accuracy-related penalty generally applies for the substantial understatement of tax. The penalty is 20 percent of the portion of the underpayment of tax attributable to the substantial understatement of income tax. We may reduce or eliminate the penalty if you send a signed statement with one of the following:

- Facts that support your treatment of the understated income and the authority for your position, such as the Internal Revenue Code, Treasury Regulations, Revenue Rulings, Revenue Procedures, etc. or
- An explanation showing you clearly disclosed the item, such as by attaching Form 8275, Disclosure Statement, or Form 8275-R, Regulation Disclosure Statement and there is a reasonable basis for your position.

## Interest charges

We are required by law to charge interest when you do not pay your liability on time. Generally, we calculate interest from the due date of your return (regardless of extensions) until you pay the amount you owe in full, including accrued interest and any penalty charges. Interest on some penalties accrues from the date we notify you of the penalty until it is paid in full. Interest on other penalties, such as failure to file a tax return, starts from the due date or extended due date of the return. Interest rates are variable and may change quarterly. (Internal Revenue Code Section 6601)

Interest is calculated to 30 days from the date of the notice for domestic addresses and 60 days from the date of the notice for foreign and APO/FPO/DPO addresses. Interest will continue to accrue until you pay the amount you owe in full.

Description	Amount
<b>Total Interest</b>	<b>\$1,578</b>

The table below shows the rates used to calculate the interest on your unpaid amount from the date the tax return was due until the tax is paid in full. For a detailed calculation of your interest, call 1-800-829-8310.
