Explanation of changes to your 2022 Form 1040

This section tells you specifically what income information the IRS received about you from others (including your employers, banks, mortgage holders, etc.). This information doesn't match the information you reported on your tax return.

Use the table to compare the data the IRS received from others to the information you reported on your tax return to understand where the difference(s) occurred. To assist you in reviewing your income amounts, the table may include both reported and unreported amounts.

Nonemployee Compensation

Documentation Upload Tool (DUT)

Send us your documents using the Documentation Upload Tool within 30 days from the date of this notice. To use the tool, visit [IRS.gov/dutreply](https://www.irs.gov/dutreply) and enter access code 895ny-k9654.

Wages reported incorrectly

The wages reported on your tax return were taken from the wrong box on Form W-2, Wage and Tax Statement.

Misidentified income

If any of the income shown on this notice isn't yours, send us the name, address, and taxpayer identification number of the person who received the income. To prevent future incorrect reporting to the IRS, notify the payer to adjust their records to show the correct name and taxpayer identification number.

Form W-2 or 1099 not received

The income reported on your return doesn't match the documents we received from your employer or payers. The law requires you to accurately report all income you receive. If your employers don't send proper information documents or forms (for example, Form W-2, Wage and Tax Statement, Form 1099), you must estimate your income based on your paycheck stubs, bank statements, or other records and include your estimate on your tax return.

Schedule A general sales tax deduction

Based on our proposed changes to your income, you may be entitled to claim additional state and local sales taxes. Send us a signed statement showing the amount of the additional deduction you're entitled to claim.

We corrected your taxable income

We found a math error and made corrections while processing your tax return. Therefore, the taxable income as "Shown on return" in the "Changes to your tax return" section of this notice is different than the amount you originally reported on your return.

Negative taxable income

You had a zero or negative taxable income amount on your original or amended return. To ensure proper credit for deductions, this notice reflects the actual amount of your taxable income in the "Shown on return" column of the "Changes to your tax return" section.

Excess advance premium tax credit repayment

We adjusted your excess advance premium tax credit repayment based on proposed changes to your modified adjusted gross income.

Self-Employment Tax on Self-Employment (SE) income

We computed the self-employment (SE) tax on the net SE income from your reported and underreported SE income. SE income generally includes nonemployee compensation, merchant card payments, third-party network payments, and other income from part-time or full-time work. Net earnings from SE income are subject to SE tax.

SE tax consists of Social Security tax of 12.4% and Medicare tax of 2.9% and, for SE income more than the thresholds for your filing status, an additional Medicare tax of 0.9%. Even if you paid the maximum amount of Social Security tax, you're still liable for Medicare tax and additional Medicare tax if you're over the applicable threshold. The deductible part of the SE tax is based on the change we made to your SE tax. If you were an employee, you're liable for income tax and the employee's share of Social Security (6.2%), Medicare taxes (1.45%), and additional Medicare tax, if applicable. We'll credit your Social Security account with the amount of SE income shown on this notice. See Form 1040, Schedule SE, Self-Employment Tax, for more information.

Penalties

We are required by law to charge any applicable penalties.

Substantial tax understatement

Description	Amount
Accuracy-related penalty substantial understatement of tax - IRC 6662(b)(2); 6662(d)	\$8,081

If you understate your tax liability and the understatement is more than the greater of 10 percent of your correct tax liability or \$5,000, an accuracy-related penalty generally applies for the substantial understatement of tax. The penalty is 20 percent of the portion of the underpayment of tax attributable to the substantial understatement of income tax. We may reduce or eliminate the penalty if you send a signed statement with one of the following:

- Facts that support your treatment of the understated income and the authority for your position, such as the Internal Revenue Code, Treasury Regulations, Revenue Rulings, Revenue Procedures, etc. or
- An explanation showing you clearly disclosed the item, such as by attaching Form 8275, Disclosure Statement, or Form 8275-R, Regulation Disclosure Statement and there is a reasonable basis for your position.

Interest charges

We are required by law to charge interest when you do not pay your liability on time. Generally, we calculate interest from the due date of your return (regardless of extensions) until you pay the amount you owe in full, including accrued interest and any penalty charges. Interest on some penalties accrues from the date we notify you of the penalty until it is paid in full. Interest on other penalties, such as failure to file a tax return, starts from the due date or extended due date of the return. Interest rates are variable and may change quarterly. (Internal Revenue Code Section 6601)

Interest is calculated to 30 days from the date of the notice for domestic addresses and 60 days from the date of the notice for foreign and APO/FPO/DPO addresses. Interest will continue to accrue until you pay the amount you owe in full.

Description	Amount
Total interest	\$3,287

The table below shows the rates used to calculate the interest on your unpaid amount from the date the tax return was due until the tax is paid in full. For a detailed calculation of your interest, call 1-800-829-8310.

Period	Interest rate
April 1, 2023 through June 30, 2023	7%
July 1, 2023 through September 30, 2023	7%
October 1, 2023 through December 31, 2023	8%
January 1, 2024 through March 31, 2024	8%
