### Documentation Upload Tool

Send us your documents using the Documentation Upload Tool within 30 days from the date of this notice. To use the tool, visit [IRS.gov/dutreply](https://IRS.gov/dutreply) and enter access code 895ny-k9654.

### Retirement distributions

We couldn't identify the retirement distribution reported on your return based solely on information your payers reported to us. We need to know if the reported income is a part of a pension or an annuity.

If it's a pension or an annuity, and you're recovering your after-tax contributions using the Simplified Method or General Rule, send us a signed statement with the date of your first payment, the amount you receive monthly, and the total amount you contributed.

If it's not a pension or annuity, send us a copy of the document showing the gross and non-taxable amount of the distribution you received.

If all or part of the distribution was rolled over, send us Form 5498, IRA Contribution Information or similar documentation showing a rollover.

### Misidentified income

If any of the income shown on this notice isn't yours, send us the name, address, and taxpayer identification number of the person who received the income. To prevent future incorrect reporting to the IRS, notify the payer to adjust their records to show the correct name and taxpayer identification number.

#### Form W-2 or 1099 not received

The income reported on your return doesn't match the documents we received from your employer or payers. The law requires you to accurately report all income you receive. If your employers don't send proper information documents or forms (for example, Form W-2, Wage and Tax Statement, Form 1099), you must estimate your income based on your paycheck stubs, bank statements, or other records and include your estimate on your tax return.

#### 10% additional tax on premature distributions from a qualified retirement plan

Early distributions from a qualified retirement plan, including IRAs, are generally subject to an additional 10% tax. A distribution is early if you withdrew or used qualified retirement plan assets before you reached age 59 1/2. Exceptions may apply. Refer to Publication 17, Your Federal Income Tax (for Individuals), or Publication 590-B, Distributions from Individual Retirement Arrangements (IRAs). If the distributions listed on our previous notice are exempt from the additional 10% tax, send us a signed explanation or a completed Form 5329, Additional Taxes on Qualified Plans (Including IRAs) and Other Tax-Favored Accounts.

#### Underclaimed withholding

You may be entitled to a larger deduction for income tax withholding or additional Medicare tax withholding than the amount you claimed on your tax return. Compare the payer information provided in this notice with your records. If the information is incorrect, send us a statement so we can correct our records. If the information is correct, respond to this notice so we can adjust your account.

#### Power Of Attorney

We sent a copy of this notice to your representative as shown in your Power of Attorney.

#### Next steps

If you agree with our proposed changes, send us your signed Response form so we receive it by the due date of this notice. After you receive the billing notice showing we've adjusted your account, you can use the following online payment options:

- Visit IRS.gov/payments for information about online payment options including:
  - Pre-assessed installments and payment agreements
  - Payroll deductions
  - Credit card payments
  - Direct debit payments
  - Applicable fees
- To apply for an installment agreement plan by mail, send in your signed Response form AND a completed Form 9465, Installment Agreement Request.

If the same error occurred in another tax year, file a Form 1040X for that tax year.

We send information about these changes to state and local tax agencies. If the changes we made to your federal tax return also impact your state or local tax return, file an amended state or local tax return as soon as possible.

## Interest charges

We are required by law to charge interest when you do not pay your liability on time. Generally, we calculate interest from the due date of your return (regardless of extensions) until you pay the amount you owe in full, including accrued interest and any penalty charges. Interest on some penalties accrues from the date we notify you of the penalty until it is paid in full. Interest on other penalties, such as failure to file a tax return, starts from the due date or extended due date of the return. Interest rates are variable and may change quarterly. (Internal Revenue Code Section 6601)

Interest is calculated to 30 days from the date of the notice for domestic addresses and 60 days from the date of the notice for foreign and APO/FPO/DPO addresses. Interest will continue to accrue until you pay the amount you owe in full.

Description	Amount
<b>Total Interest</b>	<b>\$165</b>

The table below shows the rates used to calculate the interest on your unpaid amount from the date the tax return was due until the tax is paid in full. For a detailed calculation of your interest, call 1-800-829-8310.
